

Wirral Hospice St John's

Light up a Life garden walkthrough

Although we are not holding a Light up a Life switch-on service this year, we are offering supporters the opportunity to come to our hospice garden and spend some time to reflect and remember under our beautiful Light up a Life lights from Monday 6th December until Friday 10th December 4pm – 8pm.

So that we can provide space and time for everyone we are kindly asking that you pre-book a free 15 minute slot online. As numbers are restricted on-site we kindly ask that you arrive as close to your booking as possible.

When you arrive at the hospice please park at car park K (the third entrance on the left after passing the hospice). Please see the below map for directions

You will have 20 minutes free parking in the car park. After 20 minutes parking costs £3.20. There is a pay machine (it looks like a bus stop) opposite, across the road from car park K where you can pay. Please note you will need the correct change. The hospital may lift the car park barriers during the week, however, we cannot guarantee this.

Our address is Wirral Hospice St John's, Mount Road, Higher Bebington, Wirral CH63 6JE.

We are the first building at the entrance to the Clatterbridge Hospital site, just off Junction 4 of the M53.

Please arrive as close to your booking as possible to ensure that you have enough time to walk through the gardens without paying for parking. Once you arrive please follow signs to the front of the hospice to sign in before entering the hospice gardens.

Please note: there will be no toilets or refreshments available and the Gift Shop will remain closed throughout.
