

## Wirral Hospice St John's Trustee (voluntary role)

Are you passionate about meeting the needs of the community?

Do you want to see high quality health care delivered in a way that meets a person's needs?

Do you believe that life should be lived to the full no matter what ailments may have to be acknowledged?

Wirral Hospice St John's is a well-established and highly regarded charity which has been doing exactly that for nearly 40 years. We have touched many lives directly and indirectly over that time and we are looking for people who share our passion and values to join our board of trustees.

You don't have to have medical knowledge, in fact most of our trustees don't, but you do have to have enthusiasm for serving the community, for looking to the future and how we make it better, to be creative in how problems can be solved, to be able to look objectively at where we are and where we need to change, to love working in a team with a shared commitment knowing that in some way you are helping make someone else's life better.

The board are keen to particularly encourage applications from people of all backgrounds and communities to expand the diversity of our thinking.

We currently have vacancies for trustees with at least one being from a clinical background, and whether you are an experienced trustee or wanting to take your first step at board level, we want to hear from you

Trustees are responsible for the governance oversight of the charity and its strategic development.

The role is unpaid and appointment is subject to the appropriate level of Disclosure and Barring certificate.

The deadline for applications is Monday 31<sup>st</sup> March 2025. Opportunities for informal chats with the Chair or members of the board are available should you wish to find out more about what the role entails before completing the application.

If you would like to express an interest in joining our board or would like further information about what being a hospice trustee entails, please contact Jane Bohan, Director of Workforce, email: [janeb@wirralhospice.org](mailto:janeb@wirralhospice.org) or call 0151 334 2778 ext 102 and your contact details will be passed onto our Chair or another trustee to get back in touch with you.

We look forward to hearing from you!
