Wirral Hospice St John's provides FREE care for adult patients with life-limiting illnesses. We also support carers and loved ones; families are at the heart of everything we do.

Although some NHS funding is received, the majority of our income is donated by individuals, families, groups, companies and charitable trusts. Every penny counts and helps us to make a real difference to the specialist care and support we provide for our patients and their loved ones.

Wirral Hospice's retail operations contribute hundreds of thousands of pounds towards our hospice care and support services. We have ambitious plans to grow our retail fundraising activities over the coming years.

We are looking to recruit two Deputy Shop Managers to support our growing portfolio of profitable charity shops.

The successful candidate will possess excellent communication, team-working and customer care skills, and have experience of working in retail.

Flexibility, responsibility and professionalism are key. The successful candidate should have a desire to learn and be proactive in supporting our hospice's objectives and CARES values: Compassionate, Accountable, Respectful, Equitable and Sustainable.

As an employer we offer excellent terms and conditions of service, including a generous pension scheme, and a commitment to learning and development. This post is subject to an appropriate level of Disclosure & Barring Service Certificate.

Wirral Hospice St John's has a responsibility to ensure that all children/young people and adults are adequately safeguarded and protected and that "Safeguarding is Everyone's Business". As a consequence, all staff are required to adhere to national and local safeguarding policies/procedures and to act upon any concerns in accordance with them.
